

Nr. 318/31.01.2020

Dear Colleagues and Friends,

It is with great pleasure that we hereby invite you to participate in The Multidisciplinary „Prosoft@Nt” Contest, which will be held in Piatra-Neamț, Romania from 18th to 21st March 2020.

During The Multidisciplinary „Prosoft@Nt” Contest a series of events will be organized:

- The Mathematics Competition – individual and team contest dedicated to the students (grades VII-X);
- The Computer Science Competition – individual and team contest in computer programming and a contest of educational software design and web page (grades IX-XII) with the topic “Challenges of the future”;
- The Physics Competition – practical team contest using automata data computing;
- The International Conference of Scientific and Methodological Papers – “Memorial Vasile Țifui”.

Students and teachers from different countries around the world will be invited to participate in the Contest: from Italy, Bulgaria, Russia, The Republic of Moldova, Ukraine, as well as colleagues from Romania.

We cordially invite you to take part in The Multidisciplinary „Prosoft@Nt” Contest with a group of maximum 8 students, accompanied by two teachers. The students, will receive accommodation in the students’ hostel of The National College of Computer Science, Street Mihai Viteazu No.12, Piatra-Neamț, Romania, while the teachers will be accommodated in the Ceahlău Hotel, Piatra Neamț.

The International Conference of Scientific and Methodological Papers has the theme “Creativity and Innovation through Virtual Learning Environments”, set up in partnership with Romanian universities and IT Corporations, students and university teachers, specialists in the Education and Scientific research Department and trainers from software producing companies.

On our website <http://cni.nt.edu.ro>, in the section *CONCURS* you can find details regarding registration procedures and regulations of the contests and of the conference. We invite you to register for this Contest and submit your application before March 10th, 2020. We are available at any time to offer you information at our e-mail addresses: cni_pn@yahoo.com or silviamorte@yahoo.com.

We look forward to receiving your submissions, and hope to meet you in Piatra-Neamț.

Best regards,

Ph.D. Daniela NEAMȚU

Headmaster of the National College of Computer Science of Piatra Neamț
